8th October 2020

Dear supporter of SoSD

## Newsletter No 4

You are receiving this Newsletter because in January you expressed an interest in forming a Marine Life Interest Group for South Devon. The problems that we have encountered with Covid-19 social distancing have inhibited us from developing the group in the way and at the rate that we had originally planned. Nevertheless we have a very active Facebook site 'theshoresofsouthdevon' and we are planning a couple of activities this Autumn,

- i) on Sunday 18th October we will be hosting a rocky shore safari at Paignton Harbour, near the railway station. We'll be meeting at the top of the slipway on South Quay at 1200 (see arrow). LW is at 1350 h.

If you're thinking of coming please inform [info@shoresofsouthdevon.org.uk](mailto:info@shoresofsouthdevon.org.uk) so we can get in touch if the weather intervenes. We will need to split into groups of 6 or less if too many arrive. There is no charge but we would like you to take the opportunity to join the group before coming (see below).

- ii) on Tuesday 20th October at 1930 on Zoom, Keith Hiscock from the MBA will be given the talk entitled 'A natural history of seabed habitats off South Devon' that we had to cancel in the Spring. Again there is no charge but you will need to register with [info@shoresofsouthdevon.org.uk](mailto:info@shoresofsouthdevon.org.uk) before 18th October to receive joining details.
- iii) Finally ...
